Shrikrishna Patil is now got linked. Hence, we would like to request you that since the linking of above said teachers is still under process; lacuna in this department should not be shown.

Kaumarbhritya-Balroga:- In this department lacuna of 2 higher faculties is shown and it is accepted. Despite our best efforts, we could not get the higher faculties in this subject. However, attempts to get them are still under process and we will be appointing them by the end of August 2025. Hence, sometime should be granted to us for fulfilling the higher post vacancy (Professor) in this subject.

Kayachikitsa:- In this subject, lacuna of one higher faculty is shown but now as the earlier non linked both professors Dr. Kamlesh Mutha and Dr. Manisha Ramteke are linked; this lacuna does not stand. Similarly, Dr. bhushan Kawale who is associate professor in this department and who was not linked earlier is also linked now.

Shalya Tantra:- In this subject, lacuna of one higher faculty is shown whereas the fact is that in this subject we have appointed two associate professors Dr. Pramey Dhage and Dr. Dhananjay Deshmukh as they were due for promotion. Since now, the promotion of Dr. Dhananjay Deshmukh as Associate Professor in Shalya Tantra is accepted by NCISM, the said lacuna does not stand.

Shalakya Tantra:- In this subject lacuna of 2 higher faculties and 01 lower faculty is shown whereas in this department, we have following faculties.

1. Dr. Dinesh Dulani - Professor
2. Dr. Rajiv Kopulwar - Associate Professor
3. Dr. Rajni Patale - Assistant professor

The problem with linking of Dr. Dinesh Dulani is that one of the experience rows put by him is not getting deleted by any means due to technical error on NCI SM portal. If you delete that row, he will automatically get linked to our institute. Probably he will get linked soon. But on the portal he is being shown as teacher of our institute.

The render Dr. Rajiv Kopulwar is not linked to the institute on the ground that he has not done the registration of MP state. We already mentioned that registration process is very slow in MP state. The said teacher had already initiated the registration process in MP state.

The issue of third faculty Dr. Rajani Patale (Assistant professor) is that she is basically a postgraduate of shalya Tantra subject. Her initial appointment was in Shalakya Tantra in the year 04/09/2019 as per the rules

which is under process .But not uploaded of her M.P. State Registration certificate. The teacher has already applied for her M.P. State Registration certificate. The teacher told that M.P. State Registration board may take up to one year for issuing her the required certificate. **Submission may be considered.**

4. **Kaumarbhritya - Balroga:-** Deficiencies of two higher faculties in Kaumarbhritya department have been accepted by the college. **Deficiency Persists**

5. **Kayachikitsa:-** Dr. Bhushan Prakash kawle (AYKC00991)(Associate professor)not submitted in part-1 but added in annexure and linked in OTMS. Dr. Manisha Ramteke (AYKC02093)(Professor) not submitted in part-1 but added in annexure and linked in OTMS. **Deficiencies no longer persist.**

6. **Shalya Tantra:** Dr. Pramey Dhage has resigned from the institute. Dr. Dhananjay Deshmukh(AYST01382) was uploaded as Associate Professor before submission of Part 1. However, his Promotion was approved by NCISM after the visitation. **Deficiency no longer persists.**

7. **Shalakya Tantra:- Dr Dinesh Dulani,** professor,(AYST01120), was not linked at the time of visitation due to a technical error. But, he got linked on the previous day of hearing. **Submission may be considered.**

Dr. Rajiv Kopulwar associate professor (AYSK00482), Not submitted in Part 1 due to not linked in OTMS and filled restoring application form and uploaded joining letter which is under process and non-availability of his M.P. State Registration certificate. The teacher has already applied for his M.P. State Registration certificate. The teacher told that M.P. State Registration board may take up to one year for issuing him the required certificate.

Submission may be considered.

Dr. Rajni Patale, (AYST00571) Assistant professor but not

		prevailing in that time. She had continued that experience here also. Hence, she should be considered as teacher in Shalakya Tantra as per new rules.	submitted in part-1 but added in annexure and in OTMS appointment request is under process. Hence, may be considered. Availability of total teaching staff for UG(BAMS) Course after hearing committee observation is $\frac{\text{Available}}{\text{Required}} \times 100\% = \frac{41}{45} \times 100\% = 91.11\%$ (Excluding Excess).							
2) Hospital staffs :- a) Availability of hospital staff $\text{is } \frac{\text{Available}}{\text{Required}} \times 100\% = \frac{68}{70} \times 100\% = 97.14\%$. b) Shortcoming is as under:- <table><tr><th>Hospital Staff/Name of Post</th><th>Required as per MSR</th><th>Available Hospital Staff (Part II)</th><th>Shortcomings</th></tr><tr><td>RMO or RSO or MO or CR</td><td>9</td><td>7</td><td>2</td></tr></table>	Hospital Staff/Name of Post	Required as per MSR	Available Hospital Staff (Part II)	Shortcomings	RMO or RSO or MO or CR	9	7	2	2) Hospital Staff:- a) Availability of our hospital staff is 97.14 % and is adequate. b) Shortcoming of 2 medical officers is shown whereas the total numbers of medical officers we submitted and verified by visitation team are 10. But each time, 02 EMOs (Emergency medical Officer) and 01 RMO in Panchakarma is not at all considered by the competent authority.	The college has already appointed 7 RMOs, 2 EMOs in hospital and 1 HO in Panchakarma. Deficiencies no longer persist.

RMO or RSO or MO or CR	9	7	2							
3) Observation by the visitors:- a) No ICU is available in the hospital. b) Death record and intern duty roasters not available.	3) Observation by the visitors:- 1) It is true that at present ICU is not available in the hospital, as we were informed that inspection will take place as per 2016 MSR. However, as it is made mandatory in 2024 MSR, we are going to shape it shortly. 2) Death record register we have printed and copy of the same is enclosed herewith. 3) As the final year batch has just started and no intern is available we have not printed the intern duty roster. However it will be printed this year.	1. ICU- It is not available with the college. Deficiency Persists. 2. Death Record Register- It is now available with the college Deficiency no longer persists. 3. The college has not yet got the first batch of interns. The Intern Duty Roster is currently not available. Deficiency no longer persists.								
4) Aadhaar Enabled Biometric attendance:- After calculating the attendance percentage from the AEBAS, 12 teaching faculty members are found to be suspicious as per the AEBAS records. (List enclosed).	4) Aadhaar Enabled Biometric attendance:- 1) Dr. Rabul Magare:- As the sister of said teacher suffered the acute stroke in the said period and he is the only care taker of his sister, institution had granted him leaves on humanitarian ground during his period. Hence there is low attendance of said teacher. 2) Dr. Trupti Titarmare:- The reason for her low attendance is because neither finger nor iris scan was recording her attendance. Hence she updated her fingers and iris on Adhar Setu meant for this purpose and they conveyed her message of updation on 18 May 2025. 3)&4) Dr. Mohini & Dr. Ravindra Sharnagat:- As both of these faculties met with an accident post inspection and sustained serious injuries, they could. 5) Roopa Hiregoudar:- As she was suffering from serious gynaec problem during this period and was on long medical leave, her attendance is low.	1. Dr. Arathi Chandra is on educational leave and was absent on the day of hearing. Additionally, the college has appointed Dr. Nivedita Deshbhratar as assistant professor- Rasasshastra & Bhaishajya Kalpana. Dr. Nivedita Deshbhratar was present on the day of hearing. Deficiency no longer persists. 2. Dr. Prameya Dhage (Shalya tantra) had already resigned from his post and was absent on the day of hearing. 3. Mr. Shirish Soni & Mr. Piplad Patale are not the teaching faculties. 4. Remaining teachers in this list were present on the day of hearing and were asked to mark their presence in the AEBAS system. All the teachers marked their presence in the AEBAS system successfully.								

6)Shailina Upadhayay:-As her mother died during this period, she could not attend the college. We considered her leave on humanitarian ground.

7)Dr. Amol Rajenimbalkar:-He had already pointed his inability to record his attendance regularly on account of irregular functioning of machine but as the machine was taking impression of other, we ignored his with the same machine.

8)Dr. Ankita Sharma:-She was on maternity leave and this fact was brought into the notice of visitors also. Hence, her attendance is low.

9)Dr. Arathi Chandra:- She was on educational leave and this fact was brought into the notice of visitors also. Hence, her attendance is low.

10)Dr. Prameya Dhage:- As he suffered from illness post conference at Mumbai, he was on long medical leave during this period. Hence, his attendance is low. Due to same reason few days back he had resigned also.

11)&12) Mr. Shirish Soni & Mr. Piplad Patale:-As they are not among the list of doctors, they were irregular in putting the attendance on AEBAS system. Most of the time as usual they put on the attendance muster but they forgot to record on AEBAS unless reminded to do so.

After calculating the attendance percentage from 24.03.2025 to 01.07.2025 the AEBAS, 08 teaching faculty members are found to be suspicious as per the AEBAS records.
